1. Data processed upon use of website

1.1. By using the digital services you agree to the resulting data processing in accordance with the present Data Protection Regulations. The provider reserves the right to amend the Regulations if so required by law. The Data Protection Regulations shall at any given point of time apply as amended in the version displayed and retrievable at the time of the use of the digital services.

1.2. In the course of creating a new account (please note that no matter whether you create an account using the WienMobil service or via the online ticket shop it can be used for both services) the personal data you provide (such as your name, your email address, your date of birth, address, and your telephone number) will be stored. Furthermore the time of registration will be stored.

If you do not want to create an account, you can only make purchases via the browser version of the online ticket shop.

1.3. When using the WienMobil app subject to your explicit consent your positional data, your assignment to an age category (utilizing 10-year increments), device meta data (i.e. mobile phone type, operating system, version of the operating system, app version), route queries, and bookings can be anonymized and processed. Your consent can be revoked at any time as described under 3.9 below.

1.4. If you use the WienMobil feedback function, your inquiries and any photos you might have sent as well as your device meta data (mobile phone type, operating system, version of the operating system, app version) will all be processed. However, you can delete the device meta data in your feedback section.

1.5. Cooperation partners for the WienMobil-App include the following (for further information concerning the degree of cooperation please refer to the "GENERAL TERMS AND CONDITIONS FOR WIENER LINIEN – DIGITAL SERVICES - Part 2)

- TAXI 31300 VermittlungsgmbH, A-1230 Vienna, Zetschegasse 15
- Taxi 40100 Taxifunkzentrale GmbH, A-1230 Vienna, Pfarrgasse 54
- DriveNow GmbH & Co. KG, D-80335 Munich, Seidlstrasse 26
- car2go Österreich GmbH, A-1030 Vienna, Hintere Zollamtsstrasse 9, and
- Gewista Werbegesellschaft m.b.H, A-1030 Vienna,, Litfasstrasse 6

2. Data processed upon purchase activities

2.1. With each purchase of a Wiener Linien product, regardless of whether you have created an account or not, the data you provide will be stored (first and last name, academic degree, date of birth, email address, residential address and/or billing address, telephone number). Your chosen form of payment will also be stored. We cannot conclude the contract with you unless you provide us with the full data set marked as mandatory. Also the time of purchase will be stored.

Please note that no credit card data including credit card numbers are stored in Wiener Linien systems. You also have the possibility to deposit credit card data - however, with this function only a reference number is stored via which the commissioned payment provider can verify the payment data for the next purchase. The stored payment method details can in turn be deleted in the digital sales channel in the course of a purchase.

2.2. If using the "annual season ticket service" in the online ticket shop a photo and the bank details will also be stored for the annual season ticket (if the option of annual / monthly debit has been selected). Your data will also be stored in the annual season ticket management application.

2.3. If you purchase tickets for students, your matriculation number and the name of the

university you are enrolled in will also be stored. All your data will also be stored in the semester pass management application.

2.4. If the invoice recipient is not identical with the buyer the name and address of the invoice recipient will be stored.

2.5. In order to be able to maintain the connection to your device we will store your IP address and possibly your browser type.

3. Purposes of the data processing

3.1. The data provided during your registration will only be processed to maintain the account.

3.2. If you purchase a Wiener Linien product via the digital services the data required for completing the purchase and provided by you (purchase data) will be stored directly in the Wiener Linien online ticket shop. If you purchase annual seasonal tickets or semester passes, the data will be stored in the respective annual season ticket or semester pass management application and only in the extent required to fulfill the contract, in particular for purchase execution, contract management, complying with statutory storage obligations and in the case of an annual season ticket for printing the associated card.

3.3. Data you provide to us as part of a "feedback" will be exclusively used to respond to your request or for an improvement.

3.4. If you deposit your car-sharing account data in WienMobil, such data will be processed for the purpose of maintaining this functionality.

3.5. Services booked with a cooperation partner via WienMobil will be administered and settled directly with the cooperation partner. In this case the data protection provisions of the respective cooperation partner shall apply.

3.6. If you register for the services of Gewista Werbegesellschaft m.b.H (Citybikes) for the first time via WienMobil the registration data will be transmitted to this cooperation partner and stored only with them. In this case as well the data protection provisions of Gewista Werbegesellschaft m.b.H shall apply.

3.7. Subject to your express consent, Wiener Linien will use the data provided by you both during the contractual relationship as well as following its termination to contact you about offers and innovations using the post, email, telephone/text message, social media channels and/or apps (marketing purposes). Your consent to the processing of your personal data for marketing purposes may be revoked or deactivated at any time in your profile ("Personal Data").

3.8. Subject to your express consent your personal information, namely name, address, contact information, contract, billing, usage and consumption data, business indicators, customer contact behavior and response behaviour will be transmitted exclusively within the Vienna Stadtwerke Group to the following companies to ensure data quality, consistency and currentness for the purposes of new product development, the classification of customers into groups, and subsequent marketing concerning the provision of products and

services in the energy, telecommunications, building management, IT, funeral, and mobility sectors both during and after the termination of the respective contract

WIENER STADTWERKE GmbH, WIEN ENERGIE GmbH, WIEN ENERGIE Vertrieb GmbH & Co KG, Wiener Netze GmbH, WIENER LINIEN GmbH & Co KG, WIPARK GmbH, Aktiengesellschaft der Wiener Lokalbahnen, Wiener Lokalbahnen Verkehrsdienste GmbH, Upstream - next level mobility GmbH, FACILITYCOMFORT Energie- und Gebäudemanagement GmbH, BESTATTUNG WIEN GmbH, Friedhöfe Wien GmbH, and WienIT EDV Dienstleistungsgesellschaft mbH.

Marketing includes, but is not limited to, direct marketing via electronic means or other media such as mailings, emails, text messages / multimedia messaging services or phone calls. You may withdraw and/or deactivate your consent to the processing of your personal data for marketing purposes at any time in your profile ("Personal Data").

3.9. Subject to your express consent to the processing of your anonymized data as in art. 1.3. UPSTREAM - NEXT LEVEL MOBILITY GMBH (Thomas-Klestil-Platz 13, A-1030 Vienna) may use such anonymous data for the purposes of analysis and statistical evaluations for storage as well as for commercial use and exploitation on traffic flow level .

Your consent to this processing can be revoked at any time in WienMobil under "Profil" → "Datenbereitstellung" (Data provision).

Data processing takes place on the basis of the statutory provisions of Section § 96 (3) TKG (Austrian Telecommunications Act) and Article 6 Para 1 (a) "consent" and / or (b) ("necessary for fulfillment of the contract") of the DSGVO (Austrian General Data Protection Regulations)

4. Data transfers

4.1. If payments are made by means of debit orders we will transmit your payment-relevant data to our bank for the purpose of payment.

4.2. For credit card payments or payments via Paypal all your personal data details will be transmitted encrypted to our external financial services provider due to the new Payment Services Directive.

4.3. In the case of tickets for students, your matriculation number, your date of birth, your postal code (if your main place of residence is in Vienna) and your name will be sent to the Bundesrechenzentrum GmbH (Hintere Zollamtsstrasse 4, A-1030 Vienna) or to the involved study institutions for the purposes of authorisation checks.

4.4. If you are in arrears with ticket payments (e.g. for annual season tickets) your data will be handed over to a debt collection agency or a legal representative for the purposes of further legal proceedings.

4.5. Furthermore, your data (name and address) will be transmitted to the shipping company commissioned by us for the delivery of purchased products as well as to our tax consultant / tax auditor (purchase date) in order to fulfill our tax obligations.

4.6. Data associated with the annual ticket (name, date of birth, address) will be delivered to Verkehrsverbund Ost-Region only for the purpose to fulfill the contract.

5. Deletion of Data

5.1. Your account will be stored until further notice. You can request the deletion of your account or your access at any time by informing us by e-mail to ticketshop@wienerlinien.at or by post to Wiener Linien GmbH & Co KG, Abteilung Vertrieb und Beratung, Erdbergstrasse 202, A-1030 Vienna.

5.2. Your purchase and/or order data derived in connection with services of Wiener Linien will be deleted at the end of a period of 7 years due to legal obligations for retaining data for tax purposes. This period starts at the end of the calendar year in which the purchase was made. This is applied even if you create or cancel the order. The photo provided for the production of your annual season ticket will be deleted after a period of 3 months from the termination of the contract.

5.3. Your browser type will be deleted after completing your order process. The deletion of your IP address is performed after a period of 12 months.
